OWNERSHIP

Cardone Capital acquires and manages real estate properties with a focus on both near-term income generation and long-term value creation. Grant Cardone, Founder and CEO, created Cardone Capital to provide everyday investors access to the institutional-grade real estate deals that are normally reserved for only the largest investors. Grant Cardone has been investing in real estate for over 35 years and has never lost money on a multifamily real estate investment. Since 2016, Cardone Capital has raised over \$1 billion across 22 funds from over 13,000 accredited and non-accredited investors. Cardone Capital's real estate portfolio consists of 11,903 apartment units across 36 multifamily properties along with over 500,000 square feet of commercial office space.
